

AFFIDAVIT

I, William Peck, being duly sworn upon oath deposes and states as follows:

1. I have personal cognizance of the matters set forth herein, and hereby verify that the same are true and correct to the best of my information and belief.
2. I am a write-in observer supervisor in Juneau. I have reviewed hundreds and hundreds of ballots since the start of my observations, working the better part of 4 days on the floor as a supervisor. I also worked around 8 hours as a table observer.
3. o/a November 13, I reviewed a ballot as the supervisor. Joe Miller's oval was filled in, with an X over it. Lisa Murkowski was also properly written in as a write-in candidate. When I inquired as to the logic in this, she said that since the oval for Lisa matched those for other candidates, then Lisa's was the right one, and by extension, the X was not the one the voter wanted. This is in direct contrast to the vote below where the X was on Lisa but this was approved by Gail as a "challenged counted" vote.

DATED this 16 day of November 2010, at Juneau, Alaska.
